Bring All Set to your building.

Pilot 90 Days. Zero Cost.

In 90 days, you'll see the difference:

Clear the front desk

Residents drop off and pick up on their own schedule 24/7 without involving concierge.

Take back valuable space

No garment bags piling up behind the desk or cluttering back office.

Give your team time back

No receiving, tracking, storing, or handing off garment-care orders.

Add an everyday amenity

Add zero overhead. \$0 investment. No additional staffing. No added operational burden.

Start with one building.

All Set can launch as a simple pilot, giving your residents access to premium garment care without new staffing, operational complexity, or a major property investment.

All Set provides:
